**KELLER'S THOUGHTS ON SITTING 11<sup>th</sup> IN THE POINT STANDINGS:**

"We're a quarter of the way into the season and I'm pretty happy with where we are points wise. We're still working on the competition side of things and I know the team is making strides every weekend. Our performance has been consistent now we just need to turn it up a little and start bringing home some top-10 finishes. I know we're not too far off and once we find that rhythm I have no doubt we'll be right up there in the points battle."

**KELLER'S THOUGHTS ON KENTUCKY SPEEDWAY:**

"This will be the first time that CJM Racing and I have been together at Kentucky Speedway. This is a track I have come close to winning but it just has happened yet. It would be great to become another first-time winner at Kentucky Speedway this weekend."
