KELLER'S THOUGHTS ON THE TEAM'S SECOND TOP-10:

"Considering that was the first time CJM Racing had ever been to Kentucky Speedway I think we did a great job. The chemistry is there and the cars are improving every weekend. We have always struggled a bit with our mile-and-a-half program so to come out of there with a second place qualifying position and a top-10 finish means all this hard work is paying off. I hope we can keep this momentum going and start bringing home some more top-10 finishes."

KELLER'S THOUGHTS ON THE MILWAUKEE MILE

"It's great that we're heading into another stand-alone event this weekend. The Nationwide regulars have had an opportunity to shine and show people just how strong their programs really are."

"My last Nationwide Series win was at the Milwaukee Mile five years ago so you can imagine I would love nothing more than to unload with a strong car and compete for a win. I'm really looking forward to Saturday and getting on track."
