**KELLER'S THOUGHTS ON HEADING BACK TO NASHVILLE:**

"It's hard to believe we're heading back to Nashville already. I'm hoping we'll have some better results this time around. Unfortunately an on-track altercation earlier this year messed up our aerodynamics and we struggled during the race with the handling. Hopefully we'll steer clear of any trouble and get our second top-10 of the season."

**KELLER'S THOUGHTS ON THE EVENTS SURROUNDING NASHVILLE:**

"We've got some exciting things going on this time around at Nashville that tie in with country music. Jason Aldean is running on our car this weekend and I'm taking part in some of the CMA events on Wednesday and Thursday. I think it's great that NASCAR and country music can come together for one weekend and have some fun."
