Driver Brian Scott on Racing the No. 11 Ridemakerz Toyota:

"I'm really excited about getting an opportunity to drive the No. 11 Ridemakerz Toyota for CJM Racing. It's going to be a lot of fun. They have built some strong cars and our goal is to qualify well and keep it up front."

Driver Brian Scott on Bristol Motor Speedway:

"Bristol is an amazing race track. With the history of the track and all the tradition and the incredible support of all the fans it's a track we drivers look forward to going to. Bristol is not the same old rough and tumble, push them out of the way single groove race track. It is famous for its rough and rowdy push them out of the way finishes like you had with Dale Earnhardt. Since they did the changes to the track surface, it allows you more side-by-side racing and you have a chance to come from further back and get to the front."
